Kazoo Kid X Reader: A Crack FanFiction

You sat on a stool in the bar while ordering a drink. You look over to a handsome young man sitting near you. He had golden blond hair and a kazoo in his left pocket. You decided to talk to him as you staggered across the crowded dance floor. You tap his shoulder lightly. "YOWWCHHH!" he screeched. "I didn't see you there. Im brett." You blush lightly and twirl your hair between your fingers. He smiled and bought you another drink. (it was your 6th one that night) "Sayâ€¦why don't we go dance with my other friends Jonathon and carl. After all, you're my special friend." He pointed to the rainbow colored stage in the middle of the club. You were to drunk to care so you accepted his offer. He led you up onto the stage. The main lights began to dim and lasers projected the words "u wot m8" and the dankest memes on the floor. Darude Sandstorm played in the background. Brett took out the kazoo from his pocket and began playing. You began to twerk to the dank beats. You heard a voice through the crowd whisper. "gotta go fast." IT WAS SANIC!1! you picked up a gun and 360 no scoped the crowd as your twerking gained speed and your ass flew across the stage at sanic speed. Jonathan and carl started dabbing and brett pelvic thrusted. When the dank beats had ended, brett was dead. Ohno. He had gotten quickscoped. You used doritos and mountain dew and the power of shrek to save him. When he got up he gave you a kazoo. You relief and sigh. You play kazoo to more beats. The end.
